## **EXHIBIT FEES AND DETAILS**

- Each exhibit is \$2,000. We will do our best to assign your preferred choice but there is no guarantee of your space location.
- The exhibit fee includes participation of two exhibit staff. There is a \$100 fee for each additional staff, with a maximum of four staff. To be fair to all exhibitors, exhibit staff who want to attend “just for a few hours” and do not register are not permitted.
- Each exhibit space is 7’ wide and 30” deep. One 6’ table with black cover, and chairs for exhibit staff, is provided. If you need a larger space to accommodate a freestanding or larger display, we suggest you choose a corner or end space or purchase two spaces. We cannot allow one exhibitor’s setup to encroach on the space of another.
- Request your exhibit space and sponsorship opportunities by completing the attached registration form and returning it with your payment. Assignments are made based on the date your application and payment are received so the sooner you return your registration; the better chance you have of being assigned your preferred space.
- Your company’s name will be included in the print brochure if your contract and payment is received by Jan. 3, 2020. Space is sold until capacity is reached.
- All exhibitors receive a pre-registration roster in an Excel format with participant name, title, company and mailing address about four weeks prior to the event and a final roster after the event.
